Note:

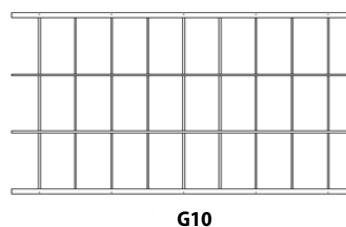

Actual performance may differ as a result of end-user environment and application.
Specifications subject to change without notice.

PRODUCT PROFILE

Details Not To Scale

5" OC Option

10" x 12" Option

SPECIFICATIONS

Safety / Security Guards shall be manufactured by Sunoptics, Inc., Tallassee, AL | (800) 289-4700.

Burglar Bars shall be fabricated from 1/2" diameter steel rod, welded to a curb mounting angle frame. Mounting hardware not included but can be ordered separately.

OTHER GUARD STYLES (see www.sunoptics.com).

- Clip on Guards - designed for new and retrofit applications and for both metal and wood curbs to fit under the skylight.
- "Z" Frame Guards - designed for new and retrofit applications and for larger metal or wood curbs to fit under the skylight.
- ESFP (External Skylight Fall Protection) - The ESFP is an alternative to our standard curb integrated fall protection guard. The exterior mounting location will eliminate the direct view of the fall protection guard from the vantage point below the skylight.

ORDERING LOGIC

Fixture		ID Bare Curb Callout		ID Bare Curb Width		ID Bare Curb Length		Guard Type	
BURGB	Burglar Bar	4040	47" x 47"	W47	Width 47"	L47	Length 47"	G10	10" x 12" Pattern
		4060	47"x71"	W47	Width 47"	L71	Length 71"	G5 1D	5" OC in One Direction Pattern
		4070	47"x83"	W47	Width 47"	L83	Length 83"
